Making decisions isn't always easy! You need to know the pros and cons of your decisions, weigh the options, and choose the best one for you.

Option or idea under consideration: _____

Rate each of the factors i n the Pro and Cons column by how important it is to you.
Very important = 3 points Important = 2 points Only a little important = 1 points

Pros		Cons		Need More
Add up all your Pro points:		Add up all your Con points:		

Calculate your score:

PRO POINTS		CON POINTS		SCORE
	−		=	

A **positive score** means your list of pros is more important to you than your list of cons. A negative score means your list of cons is more important to you than your list of pros.
